Alaska Residency Definition

(20 AAC 05.290(a))

For the purposes of assessing the fees for the application for, annual issuance of, or renewal of entry and interim-use permits, the commission will determine an individual to be a resident of this state if, on the date of permit application, issuance, or renewal, and throughout the 12-month period before that date, that individual (1) except for brief intervals, military service, attendance at an educational or training institution, or absence for good cause is, and was, physically present in the state with the intent to remain in the state indefinitely and to make a home in the state; and (2) did not claim or receive benefits as a resident of another state, territory or country.
