Confidentiality Guidelines

The personal information (such as birthdates and social security numbers) and fish ticket data accessible through this system are confidential. Fish ticket data includes whether or not a person fished in a given year. Any individual with access to this data must agree to maintain the confidentiality of the data as set forth in AS 16.05.815, AS 44.99.350, and any other relevant federal or state laws. The information can only be used **for the official business purposes set forth below.**

Please explain the reason(s) why you need this access:

I have read the Confidentiality Guidelines above. I have specified how I will use this information. I recognize that I am responsible for the security of this information. I further recognize that unauthorized use and sharing of the information obtained is punishable under Alaska Criminal law.
