Subject: Combined Fixed Gear Permit

Statewide Sablefish fishers can now purchase a combined fixed gear pot & longline permit (C50B for vessels < 60' or C51B for vessels \geq 60'). If you typically buy both a C06B and C09B or C61B and C91B you can purchase the one permit (C50B or C51B, respectively) instead of two permits.

NOTE: If you mistakenly purchase the wrong permit, once it has been fished it cannot be exchanged for the correct permit.
