

## **PUBLIC NOTICE**

The Commercial Fisheries Entry Commission (CFEC) would like thank those who have already renewed their CFEC Permit(s) and/or Vessel(s) for the 2018 fishing season. We would also like to encourage those who have not renewed their CFEC Permit(s) and/or Vessel(s) to do so in a time appropriate manner well ahead of your anticipated opening date. There is typically a strong correlation between fishery openings and a large spike in renewal activity and phone calls. While we are always happy to assist, we do encourage early renewals to avoid immediate fishing fees, delays in processing and any other unforeseen obstacle that could potentially result in lost fishing time.

Permit and Vessel renewals can be accomplished by mailing us your renewal forms, stopping in to our office OR completing them using our online renewal application located at <https://www.cfec.state.ak.us/Leon>

As always, we are happy to assist you in this or answer any questions. Please don't hesitate to contact us at 907-789-6150.

Thank you and have a great and safe season!
